

# INTERNET ADVANTAGE

Hi. If you are thinking of selling your home sometime in the next few years, I would appreciate your taking a minute or two to learn about the services I offer.

Like most other realtors, I use a lawn signs, MLS listings, open houses and print media ads to market the homes I list for sale.

The difference is that I offer you eight extra INTERNET ADVANTAGE services to help sell your home.

Did you know that 85% of home buyers now start their search on the Internet? Why not use it to bring attention to your home?

*Here are the eight extra services -*
